ii. Address questions around Grading Policy and Attendance: In accordance with the Chancellor's Grading A501, the district wide policy on the potential impact of attendance on student grades is that attendance is not a factor in overall grades. The superintendent is aware of the uptick in absences due to illnesses and affirms that attendance is not a factor in grading. Concerned parents should communicate with their school's teachers and principals.

iii. Update on the Gifted and Talented Application Process for Kindergarten: During winter parents explore their options through Myschools.nyc and submit their applications through Myschools or by phone (718-935-2009). Children born in 2018 are eligible to enter kindergarten in Fall 2023, applications are now open and the deadline is January 20th. This year, Kindergarten applications can be used to apply for G&T Programs. G&t programs give priority to families with siblings and families who reside in the district.
